## THE POWER OF PARTNERING

**Naturally creative, resourceful, and whole.** At Dray Consulting, that's how we see people. We believe you are capable of much more than you currently imagine. By employing a co-active approach to coaching—one where the coach and client both lean into and give power to the relationship—we help you dream bigger and accomplish more.

Dray helps you get where you want to go in life and your career faster and more efficiently. When you work with a Dray executive coach, you'll set larger, more rewarding goals, develop strategies to achieve them, and receive support through the entire process.

Learn. Grow. Lead a happier and more productive life. *Experience the power of partnering with a Dray executive coach.*

## ANN YAGGIE, PRESIDENT & CERTIFIED PROFESSIONAL COACH

With more than 19 years of experience as a corporate leader, Ann brings an integrated-systems perspective to any discussion or situation and a straightforward, practical approach to coaching and consulting. She's

held high-level positions in operations, marketing, training, and organization development. Her positive outlook, energy, and participative leadership style enable her to inspire, motivate, and develop leadership in others.
